**The 16th Annual “Hogs for Horses Ride”
Sunday, September 27th, 2026**

Dear Community Partner,

Thank you for taking a few moments to consider our request. Like many organizations, we rely on the generosity of businesses and community members who believe in making a meaningful difference. We hope you will consider supporting this year's **16th Annual Hogs for Horses Ride**, benefiting the Windsor-Essex Therapeutic Riding Association (WETRA).

Each year, the Iron Horse Motorcycle Club proudly hosts this fundraising ride and dinner to help support WETRA's incredible work in our community. Thanks to the generosity of sponsors and donors, last year's event was a tremendous success, with outstanding door prizes and community support that helped make the day memorable for everyone involved.

WETRA provides life-changing equine-assisted therapy to more than **200 individuals with special needs each week**. Approximately **80% of participants are children** living with developmental, emotional, or physical challenges such as cerebral palsy, spina bifida, autism, and learning disabilities. The remaining participants are adults who also benefit from the physical, emotional, and therapeutic value of these specialized programs. As a registered charitable organization, WETRA depends on fundraising events, grants, donations, and rider fees to provide quality programming while keeping therapy affordable for families. Funds raised help cover the costs of caring for the horses, maintaining equipment, and operating these essential programs. Tax receipts are available for monetary donations of **\$20 or more**.

We are asking for your support by considering one or more of the following:

- **Donate a door prize or raffle item**
- **Make a monetary contribution**
- **Purchase dinner tickets or participate in the ride**
- **Become an event sponsor**

Every donation—large or small—helps WETRA continue providing life-changing therapy to those who need it most.

If you have any questions or would like to support this year's event, please don't hesitate to contact me or any member of the Iron Horse Motorcycle Club. We sincerely appreciate your consideration and thank you for helping make a positive impact in our community.

With gratitude,
